Miracle Farm Tours

Miracle Farm welcomes everyone with an interest in touring our 325-acre boys ranch just outside of Brenham, Texas.

Whether we're hosting 2 or 40 people, we want to make your tour of Miracle Farm informative and memorable. We offer several options depending on your time and our schedules, and we try to accommodate your tour requests and schedule, as much as possible.

Please keep in mind that much of our tour is held outdoors. The best time to tour Miracle Farm is in the Spring or Fall when outdoor temperatures are more comfortable and tolerable for all ages.

If you choose to have lunch with us, we will need a 5 days' notice, with a head count, so our kitchen staff can adequately prepare to serve everyone.

Miracle Farm tours are conducted in either our open-air "people movers" for groups over 3 people, or from your tour/shuttle bus. Tour participants must be able to handle stairs and bleachers with minimal assistance.
